

Hello, I'm (your name) and I'm a constituent of Representative _____ . I'm a resident of (give your city, state and zip code)

I am calling to urge Representative ____ to VOTE YES ON HR 847, the 9/11 Health and Compensation Act, when it comes up for a vote on the House floor this week. This bill will provide treatment for 9/11-related illnesses to survivors of the 9/11 terrorist attacks -- downtown Manhattan residents, students, workers and visitors -- as well as to the thousands of brave responders who came to their rescue. Many, including children, are sick from having breathed the toxic dust and smoke, and are struggling to regain their health.

Those who who were harmed as a result of this attack on our nation need and deserve the right kind of medical help, help that this bill will provide. Thank you.
